

**Table 8. Summary of Mammal Occurrence Information, Squam Lakes Watershed, New Hampshire.**

| Common Name                   | Scientific Name                  | Occurrence Information                     |
|-------------------------------|----------------------------------|--|
| Beaver                        | <i>Castor canadensis</i>         | sighting, track, lodge, browse, musk pile  |
| Big brown bat                 | <i>Eptesicus fuscus</i>          | sighting, roost, scat                      |
| Black bear                    | <i>Ursus americanus</i>          | sighting, den, track, claw marks, scat     |
| Bobcat                        | <i>Lynx rufus</i>                | sighting, track, scratching/chew, scat     |
| Deer mouse                    | <i>Peromyscus maniculatus</i>    | sighting, track, tunnels, chew marks       |
| Domestic dog                  | <i>Canis lupus familiaris</i>    | sighting, track, scat                      |
| Eastern chipmunk              | <i>Tamias striatus</i>           | sighting, track, chew marks, tunnels       |
| Eastern coyote                | <i>Canis latrans</i> var.        | sighting, track, voice, scat               |
| Eastern pipistrelle           | <i>Pipistrellus subflavus</i>    | reported for region, likely occurs         |
| Eastern small-footed myotis   | <i>Myotis leibii</i>             | reported for White Mtns, possible here     |
| Eastern timber wolf           | <i>Canis lupus</i>               | historic (Town histories), (extant in ME)  |
| Eastern woodchuck             | <i>Marmota monax</i>             | sighting, track, scat, den                 |
| Ermine or short-tailed weasel | <i>Mustela erminea</i>           | sighting (kill), track, voice, scat, den   |
| Fisher                        | <i>Martes pennanti</i>           | sighting, track, urine, scat, pups         |
| Gray fox                      | <i>Urocyon cinereoargenteus</i>  | sighting, track, scat                      |
| Gray Squirrel                 | <i>Sciurus carolinensis</i>      | sighting, track, chew marks, cache, drey   |
| Hairy-tailed mole             | <i>Parascalops breweri</i>       | sighting, tunnels & mounds                 |
| Hoary bat                     | <i>Lasiurus cinereus</i>         | uncommon yet reported for area             |
| House mouse                   | <i>Mus musculus</i>              | reported sighting                          |
| Little brown myotis           | <i>Myotis lucifugus</i>          | sighting, roost, scat                      |
| Long-tailed shrew             | <i>Sorex dispar</i>              | reported for White Mtns, possible here     |
| Long-tailed weasel            | <i>Mustela frenata</i>           | track, urine, scat                         |
| Lynx                          | <i>Lynx canadensis</i>           | historical data, no recent evidence        |
| Masked shrew                  | <i>Sorex cinereus</i>            | sighting, track, tunnels, scat             |
| Meadow jumping mouse          | <i>Zapus hudsonicus</i>          | sighting, track                            |
| Meadow vole                   | <i>Microtus pennsylvanicus</i>   | sighting, tunnels, browse, scat            |
| Mink                          | <i>Mustela vison</i>             | sighting, track, urine, scat               |
| Moose                         | <i>Alces alces</i>               | sighting, track, wallow, barking, scat     |
| Mountain lion or cougar       | <i>Felis concolor</i>            | anecdotal records for gen. Region          |
| Muskrat                       | <i>Ondatra zibethicus</i>        | sighting, track, scat, lodge               |
| Northern flying squirrel      | <i>Glaucomys sabrinus</i>        | reported sighting, track, nest, chew marks |
| Northern or long-eared myotis | <i>Myotis septentrionalis</i>    | reported for White Mtns, likely here       |
| Northern water shrew          | <i>Sorex palustris</i>           | sighting, track                            |
| Norway rat                    | <i>Rattus norvegicus</i>         | sighting, scat                             |
| Pine marten                   | <i>Martes americana</i>          | reported sighting, track, scat             |
| Porcupine                     | <i>Erethizon dorsatum</i>        | sighting, track, voice, browse, scat, den  |
| Pygmy shrew                   | <i>Sorex hoyi</i> (thomsoni)     | reported for White Mtns, possible here     |
| Raccoon                       | <i>Procyon lotor</i>             | sighting, den, track, scat                 |
| Red bat                       | <i>Lasiurus borealis</i>         | reported for area, likely here             |
| Red fox                       | <i>Vulpes vulpes</i>             | sighting, track, scat, den                 |
| Red squirrel                  | <i>Tamiasciurus hudsonicus</i>   | sighting, track, chew marks, tunnels       |
| Red-backed vole               | <i>Clethrionomys gapperi</i>     | sighting, track, tunnels, scat             |
| River Otter                   | <i>Lutra canadensis</i>          | sighting, track, scat, den, slide          |
| Short-tailed shrew            | <i>Blarina brevicauda</i>        | sighting, track, scat, odor                |
| Silver-haired bat             | <i>Lasionycteris noctivagans</i> | possible observation at night, likely here |
| Smoky shrew                   | <i>Sorex fumeus</i>              | reported, known to occur in area           |
| Snowshoe Hare                 | <i>Lepus americanus</i>          | sighting, forms, track, browse, scat       |
| Southern bog lemming          | <i>Synaptomys cooperi</i>        | possible scat pile, reported for region    |
| Southern flying squirrel      | <i>Glaucomys volans</i>          | sighting, track, voice, chew marks         |
| Star-nosed mole               | <i>Chondylura cristata</i>       | sighting, tunnels                          |
| Striped skunk                 | <i>Mephitis mephitis</i>         | sighting, track, excavation, burrow, odor  |
| Virginia opossum              | <i>Didelphis virginiana</i>      | sighting (with young)                      |
| White-footed mouse            | <i>Peromyscus leucopus</i>       | sighting, track, tunnels, chew marks       |
| White-tailed deer             | <i>Odocoileus virginianus</i>    | sighting, track, browse, antlers, scat     |
| Woodland Jumping Mouse        | <i>Napeozapus insignis</i>       | sighting                                   |
| Woodland or pine vole         | <i>Pitymus pinetorum</i>         | reported sighting, tunnels, chew marks     |
