

Loon Activity: Create your own Loon

- Supplies: White paper, watercolors, black construction paper, oil pastels (or crayons), scissors, glue.
- First create a background with paint, marker, crayons, paper or anything else you can think of!
- Second, cut out the shape of a loon from your construction paper. You can trace the silhouette of a loon!
- Third, decorate your loon. Draw or glue the details on.
- That's it! Now go outside and remember keep exploring!
